A waiver of any right or remedy under the Contract or law is only effective if given in writing and shall not be deemed a waiver of any subsequent breach or default. No single or partial exercise of such right or remedy shall prevent or restrict the further exercise of that or any other right or remedy.

21. THIRD PARTY RIGHTS

A person who is not a party to the Contract shall not have any rights to enforce its terms.

22. VARIATION

Except as set out in these Conditions, no variation of the Contract, including the introduction of any additional terms and conditions, shall be effective unless it is in writing and signed by a director of the Company.

23. FURTHER ASSURANCE

The Supplier shall, promptly at the Company's request, do (or procure to be done) all such further acts and things and the execution of all such other documents as the Company may from time to time require for the purpose of securing for the Company the full benefit of the Contract.
